Dear Mr. Burnell,

We hope, by now, you have had time to reflect on the impact upon your community by sponsoring the appearance of *Remembering Our Fallen* in Crystal River last month. Thank you for your desire to be the first in Florida to host the national memorial of *Remembering Our Fallen*. What a remarkable lesson of patriotism you provided to citizens of Crystal River and the surrounding area.

We hope you will tell others about this national memorial and the impact it had. The mother of SFC Paul Smith from Tampa (above photo) was very proud of her son and pleased to find him on one of the Tribute Towers. Thank you, again, for helping us teach American citizens of the cost of freedom.

*We will remember them.*
