

ADA Accessibility

The City of Crystal River is committed to accessibility.

The City of Crystal River strives to maintain a website that is both accessible to all visitors and compliant with the Web Content Accessibility Guidelines (WCAG) put forth by the World Wide Web Consortium (W3C).

We recognize that accessibility and usability are not always possible in every area of the website, or for those visitors using assistive technology and devices. The City of Crystal River conducts accessibility reviews of its website and remediates issues uncovered by these audits. Please be aware our efforts are ongoing.

We welcome your feedback on the accessibility of the City of Crystal River website. If you have specific questions or feedback about this site's accessibility or need assistance using specific features, please contact us via telephone at 352-795-4216 ext. 301 or via email at [Assistance](#).

If you have found an inaccessible area on the site, please specify the web page or element and provide any other relevant information to help us locate the problem.

In the event the page cannot be made accessible, we will work to make a text version of the content available. Please contact us via telephone at 352-795-4216 ext. 301 or via email at [Assistance](#) to request a specific electronic format. Please provide us with your contact information, the format you require, the web page address and the location of the content.

We welcome your questions about this accessibility statement and comments on how to improve our website.

If any record, document, electronic file or other material published on www.crystalriverfl.org is not compatible with screen reader software and is required to be compatible, the City may as an alternative to making a particular record, document, electronic file or other material compatible with screen reader software, offer to read such document to a visually-impaired individual within 5 business days of a request.
