

Application for Volunteer Positions

Applicants may apply for more than one Board, Commission or Committee (BC&C) position; however, once they are appointed to a BC&C position, all remaining applications for the BC&C will be pulled. Applications will not be accepted for any other BC&C from an individual while already serving on another BC&C. Where special designation is listed, it should be noted that Council would prefer to fill these seats with the professional designation attached to the seat when possible.

All qualifications being equal, the applicant with the earliest dated application will be given preference. The senior alternate will always move up to regular member when there is a vacancy unless barred by other restrictions or if the person serving has not filled a complete term. In the event of a vacancy, Staff will first contact all applicants on file to verify their interest and availability. Only those members who have not completed one full term will be considered for reappointment upon receipt of a letter stating their desire to serve one full term.

All members who complete one full term will roll off that board, commission or committee for one year. After a year of absence a previous member will become eligible to apply again for the same board, commission or committee. During their sabbatical, they are eligible to apply and hold a position on a different board, commission or committee.
