FOR IMMEDIATE RELEASE

City of Crystal River has extended the deadline for applications from residents for home elevations and scheduled an additional informational webinar.

February 23, 2024 – The City of Crystal River announces an extension of the deadline for receiving materials for homeowners interested in elevating their homes under the FEMA Flood Mitigation Assistance (FMA). To ensure all eligible residents have ample opportunity to apply, the deadline has been extended to March 1, 2024.

By extending the application deadline, the City of Crystal River aims to accommodate residents who may require additional time to gather necessary documentation or information for their applications.

Additionally, the City, along with its contractor Atkins-Realis has scheduled an informational webinar on Tuesday, February 27 at 5:30 pm for those who were not able to attend the Town Hall meeting held on February 22, 2024. The meeting will be held via the teams app. Interested residents can email erin.capps@atkinsrealis.com to have the invitation sent to them or use the following information to join the webinar:

Dial in (audio only)

Phone Conference: (844) 603-6058

Phone Conference ID: 191 877 097#

Residents are encouraged to take advantage of this extended deadline to submit their applications and informational webinar to take proactive measures to protect their homes and families from natural disasters.
