

Application for Volunteer Positions

Applicants may apply for more than one Board, Commission or Committee (BC&C) position; however, once they are appointed to a BC&C position, all remaining applications for the BC&C will be pulled. Applications will not be accepted for any other BC&C from an individual while already serving on another BC&C. Where special designation is listed, it should be noted that Council would prefer to fill these seats with the professional designation attached to the seat when possible.

All qualifications being equal, the applicant with the earliest dated application will be given preference. The senior alternate will always move up to regular member when there is a vacancy unless barred by other restrictions or if the person serving has not filled a complete term. In the event of a vacancy, Staff will contact applicants on file to verify their interest and availability.
